Financial contribution to Te-Kworo Foundation: 50% of the net profit of every event, at least \$500 + GST, is paid to this charity.

Become Te-Kworo Foundation 'Community Restorers'

Hosted by experienced and professional facilitators, Te-Kworo Foundation 'Community Restorers' is a fun, fast-paced and highly interactive session, filled with activities that promote greater teamwork, with prizes to be won.

Your colleagues will get a unique insight into this amazing charity and the opportunity to self-reflect and draw parallels from how Te-Kworo Foundation operate with their own team and work environments by: understanding the harsh realities facing young women and their children in Northern Uganda; appreciating the differences between their world and ours; seeing first-hand the transformational power that education and support can make in the lives of the young women they support; and celebrating the power of belonging to a strong community.

How will Te-Kworo Foundation benefit?

As we're in partnership with Te-Kworo Foundation, they receive 50% of the net profit from every session, which translates to at least \$500 plus GST for every session. So, your people are also making a financial difference to the Te-Kworo Foundation and helping secure a better future for African girls. In addition, we create special 'Gift for Life' packs which are given to the young women who are learning a trade to enable them to become self-sufficient.

The results?

- Strengthened teams with greater appreciation of their colleagues.
- Greater appreciation for what we have in our world and workplace when compared to the struggles of others less fortunate than ourselves.
- Create 'special packs for these young Ugandan mothers learning a trade.
- Tangible actions that can be implemented into your workplace.
